## Increasing in grace...

"But grow in grace..." (2 Peter 3:18)

That phrase is amazing to me! When we stop and realize that the grace of God is not merely the gift of God that saves us in our sin, it is also something we grow in understanding and applying every day after salvation. We are encouraged to never stop growing in grace! It is a well that runs deep and we draw from again and again.

To grow in grace means to be more like the Lord Jesus Christ, from whom we receive all the grace that we need. His grace is suitable in all situations and usually growing in grace means coming to the end of ourselves (our understanding) and leaning solely on that grace. Let's strive to keep growing, which may mean growing pains, but it is worth it to be more like Christ!
