

A painting of a rural landscape. In the foreground, a large, gnarled tree with pink blossoms dominates the right side. Below it, a wooden fence runs across the middle ground. Behind the fence, a small white house with a brown roof is visible. In the foreground, several chickens are pecking at the ground. The background shows rolling green hills under a blue sky with soft clouds.

and if not,
He is still good.

Hiding His Word...

"I have hidden your word in my heart that I might not sin against you." (Ps. 119:11)

One of the most powerful things we can do is memorize and treasure the words of God! The Psalmist said the purpose of memorizing or "hiding" God's word in our heart is to avoid sinning against God. When we are faced with temptation, which is spiritual attack, we are given the sword of the Spirit, which is the Word of God as a defense against that temptation.

Maybe it is a familiar verse like 1 John 1:9 or Romans 10:13, wherever your Bible study takes you, choose a verse that speaks to you and start there. It can seem daunting but the blessing of hiding his word in our hearts is worth the effort! I was challenged by the words of Dr. Hendricks of Dallas Theological Seminary, who said at the end of his long life, "The greatest regret of my Christian life is that I have not memorized more scripture." Let's start today hiding his word in our heart and watch it transform our lives.
