Light of life...

"Then Jesus spoke to them again: "I am the light of the world. Anyone who follows me will never walk in the darkness but will have the light of life." (John 8:12)

When we awake from a night of rest and open our eyes, letting in the light of the morning, the light is almost harsh to our eyes. Once our eyes adjust to the light we throw open the curtains and let the light in, revealing and exposing the space around us. What was once harsh is now welcomed.

This is what it looks like in the life of one that has placed their faith in Christ! At first the light is harsh to our spiritual eyes because we have been in the darkness so long our eyes are grown accustomed to the darkness. Salvation brings an eternal "light" into our existence because Christ is the light of the world. This light gives us the ability to see the spiritual truth in the Word of God as well as the light to see the path God has for us. We walk in the light by faith.

COMPASSION *sunday*®

Right now, up to 783 million people in the world are facing hunger. Children are suffering. In the face of such injustice, I know you want to do something.

But maybe you're wondering how you can make a difference. Maybe you're asking ... what's the best way to tackle something as vast as hunger and global poverty? And what can I really do about it?

Today is Compassion Sunday — a day set apart to respond to the needs of children living in poverty around the world. At the sponsorship table, you'll find photos of boys and girls who would love to have someone like you to serve, honor and protect them.

When you sponsor a child, you'll help them see themselves as precious and valuable in the eyes of God — which is one of the most potent weapons against poverty. And when it's paired with nutritious food to combat hunger, tutoring, regular medical checkups and vocational training ... the result is a tangible and sustainable impact.

That's why children in Compassion's program are more likely to stay in school, break the cycle of poverty in their families, become leaders in their communities and build tomorrow's Church.

You can fight injustice by releasing a child from poverty in Jesus' name through sponsorship. *Will you?*
