

A scenic landscape at sunset. The sun is low on the horizon, casting a warm, golden glow over the scene. In the background, there are dark, jagged mountain peaks. The middle ground is filled with a dense forest of evergreen trees. In the foreground, there is a field of vibrant flowers, including tall purple lupines and smaller white and pink blossoms. The sky is a mix of soft orange and pale blue, with some wispy clouds.

BUT SEEK FIRST THE
KINGDOM OF GOD AND HIS
RIGHTEOUSNESS, AND ALL
THESE THINGS SHALL BE
ADDED TO YOU

a note from the pastor

Say something nice...

"...Let everything you say be good and helpful, so that your words will be an encouragement to those who hear them."
Ephesians 4:29 (NLT)

Growing up, my mom always told us, "If you don't have something nice to say, don't say anything at all." I believe that principle is true for all of us today as it was as kids. Let's take it a step farther and add, "Work harder at saying something nice." It is difficult to see the best in people when judging and condemning them is much easier, and more natural.

However, I believe we could change our world by sharing the love of Christ in how we speak to people in our everyday life. This week, pick one day where you try to say something encouraging to every person you come in contact with that day. The person at the drive through, the bank, the gas station, wherever you find yourself. Watch, not just how they respond, but how you feel at the end of the day.
