Summer Days

There is nothing better than sitting on the porch, on a gorgeous summer afternoon, sipping on an ice cold glass of some sweet tea with the smell of fresh cut grass in the air. This time of year is a wonderful time to take a moment to enjoy the beauty of God's creation.

We are so busy, and it seems like there is always something to do, but make sure that this week you take just a few moments and take in the sunshine and warm breeze. Slow down and breathe in the moments of life. Our Heavenly Father created this beauty around us, for his glory to be revealed, as well as for our enjoyment and pleasure. I truly believe that when we realize we are at peace with God through Christ (Romans 5:1) we can enjoy this life, which is honestly the abundantly life Christ provides. (John 10:10)
