Entertaining angels....

"Be not forgetful to entertain strangers, for thereby some have entertained angels unawares." (Hebrews 13:2)

One of the more interesting and intriguing verses in the New Testament could be Hebrews 13:2. As the author of Hebrews is writing this final portion of a powerful letter, there are general encouragements and warnings to the church. One of these encouragements is to show hospitality to strangers (literally translated "love to strangers, hospitality" as in Romans 12:13)

The interesting part is that when we do this, there is a chance, that some of those strangers could be angels. Now, in the early church many believers were forced from their homes due to persecution and they needed others to show them kindness. The word "angel" means a messenger sent by God, so it may be a real angel from heaven or merely someone serving Christ as his messenger, either way they can be blessings from God in our lives. So, even if it's inconvenient or out of your comfort zone, when the opportunity comes, take it and serve someone today in Christ name!
